28

A · Full tour
Play 1 to 28 in order. Hollow circles are short, optional Extras.

B · Match day, or the day before
Dressing room and benches are closed. After the museum, play 22, then 27 and 28.

C · Museum first
If staff send you to the museum before the view: play 1–3, then 9–22, then 4–8, then 23 onwards.

A schematic of the route by zone, not a floor plan. The club can change the route for matches and events: staff at each zone show the way. The pitch is usually stored underground, so expect a bare floor.
